How to Register For Programs

Check availability for registration online at Morenci.recdesk.com, call 928-865-6598 or stop in at the MCC front desk.

MORENCI LIBRARY

Library E-Services

MANGO LANGUAGES

Mango for libraries offers over 70 world language courses expertly designed to adapt to a diverse range of learning needs, styles, and backgrounds.

CLOUD LIBRARY

Use Cloud Library to check out e-books and audio books!

Welcome to the Morenci Library! Where you will find books, programming, special events and much more!

How to Register For Programs

Check availability for registration online at **Morenci.recdesk.com**, call (928) 865-7042 or stop in at the Library front desk.

Please contact the library at least one business day prior to a registered program if you are unable to attend. Failure to do so will prohibit you from registering for future programs.

Welcome to the Morenci Library! Here you will find books, programming, special events and much more! We offer 21 public computers with free access to the internet and limited free printing. There is also free Wi-Fi!

Our library is a great place for children of all ages. We have books for all reading levels, toys, games, and more! There is also a great selection of Young Adult, Adult, and Non-Fiction books. Just remember that kids 7 years old and under must be accompanied by an adult at all times.

Did you know that our library has access to over 44,000 books online (E-Book) and audio books? You can download apps to your device or home computer and start exploring these great services for free today.

All you need is a library card! Just bring in proof of residency for Greenlee County and our staff will get you set up for free. Ask the library staff about other free services we offer, like Mango Languages.

HOURS OF OPERATION

Monday–Thursday 9 a.m.–7 p.m.

Friday 9 a.m.–5 p.m.

Closed Saturday & Sunday

Contact Information

346 Plaza Drive

Registration:

Register at least one week prior to class date

Teens will explore the fun side of science through hands-on chemistry activities. Participants will make bath bombs, create their own lip balm, and grow crystals while learning how everyday ingredients can react, transform, and become something new.

Make & Mold: Clay Trinket Dishes

Tweens and teens will use air-dry clay and decorative materials to create their own trinket or jewelry dish. This hands-on craft allows participants to design a unique piece that can be used to hold jewelry, coins, keys, or other small treasures.

Days: Mondays

Dates: September 14 & 21

Time:

3:30 pm (8—12 years)

5pm (13—17 years)

Ages: 8—17 years

Cost: Free

Registration:

Registration: Register at least one week prior to class date.

Creepy Clay

Teens will use air-dry clay and creepy crafting supplies, such as fake teeth, eyeballs, and other spooky details, to create their own strange and silly creature. This creative program is perfect for anyone who enjoys spooky season crafts with a fun twist.

Day: Monday

Date: October 19

Time: 4:30 p.m.

Ages: 12—17 years

Cost: Free

Registration:

Register at least one week prior to class date

Library Chalk Art Walk

Kids and teens will use sidewalk chalk to create colorful artwork along the library courtyard walkway. Each participant will have their own section to design, turning the courtyard into a temporary outdoor art gallery for the community to enjoy.

Days: Monday—Thursdays

Dates:

November 2—5

November 9—12

November 16—19

Time: Library Hours

Ages: 10—18 years

Cost: Free

Registration:

No Registration Required. This is a Drop-in Program.

Patch It Up

Create your own wearable art in this relaxed, hands-on craft program. Teens will design and make custom patches that can be added to jackets, backpacks, tote bags, or other personal items as a fun way to show off their style.

Days: Monday—Wednesday

Date: November 2—4

Time: 5 p.m.

Ages: 13—18 years

Cost: Free

Registration:

Register at least one week prior to class date

Hello

Hola

GROUP EXERCISE CLASSES

All participants are welcome and the instructors will provide options and modifications of the exercises to meet personal needs and abilities for every individual. Classes are designed to provide benefits in the areas of strength, aerobic capacity, mobility and flexibility, and mental focus.

YOGA

Our Yoga program includes stress reducing Sound Baths, meditation sessions, and mobility improving exercises. Yoga is a great way to reduce stress, increase mobility, and flexibility. Yoga is a great starting place for those new to exercise.

MAT PILATES

Mat Pilates is a bodyweight exercise system performed on a mat, focusing on controlled movements to strengthen the core, improve flexibility, balance and posture. While the body is the primary resistance, props like rings, resistance bands, and balls are often used to enhance the workout. This accessible practice emphasizes core engagement and the fundamental Pilates principles, offering benefits such as increased strength, flexibility and body awareness.

ZUMBA

An exhilarating, effective, easy to follow, Latin-inspired, calorie burning, dance fitness exercise that's moving millions of people towards physical and mental health. Zumba includes interval training (alternate fast and slow rhythms) and resistance training. It is a fun workout, in a great atmosphere. It is also an opportunity to meet new people.

CIRCUIT

Circuit Classes are a series of well-planned exercise stations that participants revolve through one after the other. Each station has a different exercise that is performed for specific durations, intensities, and levels of difficulties with limited rest in between.

R.I.P.P.E.D

A total body workout that increases endurance, defines muscle, and burns calories. It stands for - resistance, interval, power, plyometrics, endurance, and diet. With consistent exercise and proper nutrition, you can achieve the goals you've always wanted.

WEIGHT ROOM 101

Learn your way around the weight room. We will show you what, where, why and how the equipment is used, and how to best implement it into your exercise and workouts.

INDOOR CYCLING

Ride as a group or solo to improve your cardio-respiratory health and fitness. This is a non-impact fitness classes that drive heart rate to fun music. Each bike is equipped with a power meter so you can see your fitness improve.

SHRED

A multi-option, full body workout. This workout contains challenging exercises that will increase strength, decrease body fat, endurance, cardiorespiratory fitness. Exercises will change from class to class, but will include the essentials: cardio, strength training, and mobility.

BODYBUILDING

A regimen of exercises designed to enhance the human body's muscular development and promote general health and fitness. In artistic fashion, Bodybuilding aims to display in pronounced muscle mass, symmetry, and definition for overall aesthetic effect. Benefits include building muscle mass, bone density, confidence, and self-esteem. This class emphasizes the healthy mind and body connection that can be applied in all areas of life.

CONDITIONING CLASS

Our CrossFit-style Conditioning class is a fast-paced, high-energy workout designed to improve overall fitness, endurance, and mental toughness. This class focuses on constantly varied, functional movements performed at moderate to high intensity—helping you build strength, stamina, and resilience in every session.

STRENGTH AND CONDITIONING (S&C)

A training method designed to enhance an individual's physical performance by developing muscular strength, power, endurance, and overall fitness. This approach combines exercises such as weightlifting and cardio, tailored to specific athletic needs, while prioritizing injury prevention and optimal movement patterns.

KIDS EXERCISE CLASSES

FIT KIDS

Our Fit Kids group class is designed to make fitness fun, engaging, and empowering for children of all activity levels. Through a mix of games, skill-building exercises, and creative workouts, kids stay active while developing strength, coordination, agility, and confidence.

KIDS YOGA

Our Kids Yoga class is a fun, calming, and creative experience designed to help children move, stretch, and unwind. Through playful poses, breathing exercises, and imaginative activities, kids learn body awareness, balance, flexibility, and mindfulness in an engaging way.

CROSSFIT KIDS

Our CrossFit Kids program is a fun; high-energy fitness class designed specifically for children. Through age-appropriate workouts and engaging activities, kids build strength, coordination, balance, and confidence while having a great time.

Gila Health

RESOURCES

Meet our Newest Family Practice Providers !

We are pleased to announce that Kat Conlon, FNP, and Deepa Tandon, ANP, have joined our Family Practice medical staff in Morenci. Kat Conlon is a licensed Family Nurse Practitioner who has experience in Family Practice, Emergency Medicine, and Occupational Medicine settings throughout Arizona. Originally a Registered Nurse, Kat completed her Nurse Practitioner training when she received her Master of Science in Nursing degree from the University of Phoenix in 2021. She also served as a Nursing Clinical Instructor at Eastern Arizona College from 2006 through 2008, and has served as a member of their adjunct faculty since 2008. Deepa Tandon is a licensed Nurse Practitioner who completed her Nurse Practitioner training when she received her Masters of Science in Nursing from Drexel University in 2013. Deepa joined Gila Health Resources' Occupational Medicine medical staff in Bagdad, Arizona in February, 2024, where she has worked up until recently. She has experience in Family Medicine, Occupational Medicine and Behavioral Health.

Individuals interested in scheduling an appointment with Kat or Deepa are encouraged to call Gila Health at (928) 865-7500.
